

Topic: DCI Update for Windows 2003 Server
Component(s) Affected: Window 2003 Server, DCI, ClearCube applications
Date: February 15, 2005

OVERVIEW / ENVIRONMENT

The ClearCube Distributed Computing Interface (DCI) requires an update to provide full functionality for Windows 2003 Server OS.

DETAILED DESCRIPTION

DCI requires an update to provide full functionality of the ClearCube Management Suite running on Windows 2003 Server OS.

The affected ClearCube applications are:

- Control Center
- Blade Manager
- Grid Center
- Data Failover

This patch installs the required update.

RESOLUTION

To install this patch, unzip the `DCI_Update_for_Windows2003.zip`. Unzip this file, and then run the `update.bat` file from the command prompt. It copies the `commHandler.class` file to the correct location. After the batch file is finished running, delete the update folder and restart your system.
