

Topic: A1010 First Factory Release Driver Package
Component(s) Affected: A1010 Blade
Date: October 19, 2006

OVERVIEW / ENVIRONMENT

ClearCube has released the drivers bundle for the A1010 blade. This bundle comprises the first factory version of all the drivers.

Note: Do not use these drivers on R Series blades.

DETAILED DESCRIPTION

ClearCube Technology has released the drivers bundle for the A1010 blade. This package is available on the ClearCube Support website as `A1010_Drivers.zip`.

This package contains the following folders:

- **Audio** – contains audio driver INF files and installers
- **InfUpd** – contains chipset INF files and installers
- **Nic** – contains network adapter drivers and installers
- **Video** – contains video drivers and installers

RESOLUTION

To install these drivers, download the `A1010_Drivers.zip` package from the ClearCube Support website.

Note: This package is approximately 42 MB in size zipped, and 68 MB unzipped.

Unzip the package, and copy the required drivers into the `C:\Drivers` directory on your A1010 blade. As needed, run the installers for the drivers. Restart your system.
